Positie	Omschrijving	Code Engels	Leveranciersnummer	Extra info
1	Discharge temp sensor assy		202395020902	
1.1	Discharge temp sensor assy		202301300302	
2	DC motor		202400300519	
3	Beam support plate		201295100384	
4	Motor beams		201295100356	
5	Seporator		201601100062	
6	grille		201295100199	
7	oil separator		201601100031	
8	Condenser components		201595100171	
8.1	Condensor		201595100172	
8.2	Input tube condensor components		201695401008	
8.3	Condensor discharge pipe		201695101201	
9	Accumulator		201601010022	
10	Plastic cover componnets		201195100015	
11	Components on the front cover		201295100354	
12	Wind guide collar		201195100014	
13	Axial fan		201100300029	
14	Expansion valve assy		201695101774	
14.1	Electronic expansion valve		201601300571	
15	Handle		201148700009	
16	Right panel assy		201295100359	
17	Top panne		201295100353	
18	Under the panel components		201295100352	
19	supporting plate E box assy		201295101232	
20	Wire mesh		201295100363	
21	Accumulator connectio pipe assy		201695100045	
22	Temperature sensor clamp		201195100010	
23	Valve mounting plate		201295100360	
24	Compressor		201400400270	
25	Wire clip		201295100350	

26	4 way valve assy		201695100731	
16.2	Process management		201695030895	
27	Valve mounting plate		201295100321	
28	Compressor		201400400280	
29	Pipe clip		201295100351	
30	Suction pipe assy		201695101037	
30.1	Pressure controller		202301820028	
30.2	Strainer		201600900123	
32	Compressor discharge tube assy		201695100993	
32.1	Pressure sensor		202301300174	
32.2	pipe joint		201601200212	
32.3	Pressure swirch		202301820042	
33	Valve components		201695101006	
33.1	ball valve		201600790123	
33.2	strainer		201600900123	
35	high pressure valve assy		201695100744	
35.1	fluid reservoir takeover		201695100046	
35.2	Low pressure valve		201600720193	
36	Connecting pipe assy		201695100008	
37	Electronic expansion valve coil		201601300572	
38	Chassis parts		201295100358	
39	Fixing board assy		201295100365	
40	Form fitting assy		201695101002	
40.1	Meter connector		201601200003	
40.2	Strainer		201600900067	
41	Electrical box assy		203395190123	
41.1	Electrical inductance		202301000276	
41.2	Outdoor power board assy		201395100197	
41.3	Box		201295101334	
41.4	circuit installation board		201295100281	
41.5	Main control board assy		201395100249	
41.6	Electric installation board		201295100280	
41.7	Inverter module assy		201395100192	

41.7.1	Three phase bridge		202300500348	
41.7.2	35A 1200v frequentie converter module		202300701018	
41.7.3	Electronic module assy		201319900996	
41.9	Power board assy		201395100155	
41.11	Electrolytic capacitors		202300300109	
41.12	Resistance		202300130008	
41.14	Contacteur		202300850043	
41.15	Terminal block 4p		202301400420	
41.17	transformer		202300900150	
41.20	Radiator fan module assy		201395100353	
41.20.1	Rectifier		202300500328	
41.20.2	Inverter module		201319902795	
41.20.3	IPM module		202300702383	
41.22	Wire terminal installation board		201295100347	
41.23	VF powersupply filter plate assy		201395100185	
41.24	Intermediate connecting plate		201395100413	
41.25	Cement type resistor		202300100906	
42	E-part box cover		201295100275	
43	Left panel assy		201295100357	
44	Motor bracket assy		201295100355	
45	Crankcase compressor		202403101240	
46	Capillary assy		201695100560	
47	Compressor cable group		202490410150	
48	Room temperature sensor assy		202301300198	
49	Pipe joint subassembly		201695590078
